

MEMORANDUM FOR: Legislative Counsel
FROM: Director of Central Intelligence
SUBJECT: Congressional Index (U)

I would like to ask again for two copies of the Congressional index printed by some commercial company in a pamphlet that is about 4 inches by 12 inches in dimension. What I have in my desk today to identify Congressmen is the little blue book you gave me with their pictures. To begin with, it is organized by state rather than alphabetically; it doesn't give the districts; it doesn't give the committees on which the people are situated. I'd appreciate having the other directory in each of my offices so that when a Congressman phones I can flip to his picture and bio and basic data as rapidly as I can answer the phone. (U)
